Dear Mr. Boughner and Mr. Ricker.

On behalf of the John McGivney Children's Centre, please accept our most heartfelt appreciation to the Windsor Spitfires Foundation, the Essential Services Hockey League and the Co-Operators Insurance Group for the generous donation to the Centre in the amount of \$11,059.00 from your recent 3 on 3 Hockey Tournament. A special thank you to Dr. Roy Diklich for his dedication to this fundraising event.

For over 28 years the John McGivney Children's Centre (formerly known as The Children's Rehabilitation Centre of Essex County) has provided programs and services to thousands of children with physical disabilities and their families. Your donation will be used to support our preschool and school aged programs which work in conjunction with key services including physiotherapy, occupational therapy, communication therapy, recreation therapy, social work, augmentative communication, seating and mobility and various family centered resources.

Thank you for your generosity and we hope that we can count on your continued support.

Sincerely,

Elaine Whitmore, M.P.A., CHE
