# OUR FOUNDATION

In 2006 the Windsor Spitfires Foundation was formed.

This foundation will bring together the many contacts and fundraising ideas that have evolved throughout the years. Enhancing lives, improving our community is not just our slogan, but a way of life.

The foundation will have many different events throughout the year. Some of the planned events will include an annual Golf Tournament, Fashion Show, Celebrity Autograph Sessions, Memorabilia Auctions and a Kids Street Hockey Game, just to name a few. The main focus shall be to support local children's charities, although any charity is invited to apply for funds.

Presently the foundation is working in partnership with the NHLPA to provide free hockey equipment and registration money to children who would normally be unable to play hockey without this support. We are hoping to have the kids playing hockey this fall.

Of course none of this fund raising can happen without your support, so we thank you very much.... Enjoy the day!
